Login Page Annotated

A mockup of a login page with a blue sky and clouds background. On the left, there is a graphic of a clothes rack with a blue jacket, a pink shirt, and green pants hanging on it. On the right, there is a white login form. The form has a title 'Login', a 'Username' label above a text input field, a 'Password' label above another text input field, a blue 'Login' button, and a link 'Don't have an account?' above a blue 'Sign Up!' button. Red arrows point from external text annotations to these elements: from 'Graphic • could be a GIF' to the clothes rack; from 'Inputs for: • username • password' to the input fields; from '\*\*\* Maybe have a "Forgot Password?"' to the 'Login' button; from 'Login Button' to the 'Sign Up!' button; and from 'If user doesn't have existing account, then click "Sign Up" Button' to the 'Sign Up!' button.

Graphic  
• could be a GIF

Inputs for:  
• username  
• password

\*\*\* Maybe have a "Forgot Password?"

Login Button

If user doesn't have  
existing account, then  
click "Sign Up" Button
